

A Man full of Jokes
He always liked his smokes
A man who devoted his whole life
A man who never had a wife
Christ was his full and total focus
His homilies worked magic like hocus pocus

He thought my name was O' Grady
But Father Joe wasn't Shady
He was a funny man
He always had a plan

His Purgatory was a nursing home
Now he's in God's heavenly dome
He just went out in style
We are gonna miss him for quite awhile

Dedicated to Father Joe
God Bless his soul
